## **MEMBER PARTICIPATION – YOUTH ENGAGEMENT STRATEGY**

A copy of the answers received at the last FBEP was given to all present. In response to the four questions asked, the following was implemented:

- Where do we find the people? Kathi posted Kindergarten registration details were posted on FBEP's Facebook page, and many parents, started liking the page.
- What partners to include? Of the many mentioned, Kathi invited the following groups to participate: CYS (hope to come to next meeting), Goodwill (in attendance), Drug & Alcohol Commission (in attendance), Geibel, Conn Area, St. John's (will try), and Chestnut Ridge.
- What can be done? One of the main suggestions was a newsletter – since that last meeting Kathi completed the group's first newsletter (and all present received a copy), which was also posted online. Anyone may submit information to be placed in newsletter. In addition, the group is working on a "table" of information that can float from event to event in any district.
